Message from the Ministry Director

We give all glory and honor to God for His faithfulness throughout another year of ministry. Despite many challenges, the Lord opened new doors to preach the Gospel, plant churches, care for the poor, and bring hope to families across Sindh and Punjab.

Through the prayers and generous support of our ministry partners, thousands of people heard the Good News of Jesus Christ and received practical help through food assistance, clean water projects, education, women's empowerment, and relief for persecuted families.

We sincerely thank every supporter who has stood with us in this mission. Together, we are making an eternal impact.

The **WORD** of *God*
CONTINUES TO
Transform Lives.

During this ministry year, LYNM distributed **8,695** Bibles in villages and communities throughout Sindh and Punjab. Many recipients had never owned a personal Bible before.

Changing Hearts. Building Faith. Transforming Communities.

Testimony!

Audio Bible Distribution in Sindh

LYNM continues to distribute Audio Bibles in the Marwari, Urdu, and Farsi languages throughout Sindh. This ministry helps make God's Word accessible to people in their own heart languages, especially for those who prefer listening or have limited access to printed Scriptures. Through the faithful support of our partners, many individuals and families are hearing the message of hope and salvation in a language they understand. We thank God for every opportunity to share His Word and pray that these Audio Bibles will continue to strengthen believers and reach those who have never heard the Gospel.

Baptism

This year, 125 new believers publicly declared their faith in Jesus Christ through baptism in Sindh and Punjab. Each baptism represents a changed life and a commitment to follow Christ despite social pressure and persecution.

Testimony!

"After accepting Jesus, I was afraid to tell others. My baptism gave me courage to stand for my faith. Today my family is also learning about Christ."

CHURCH Planting

LYNM ESTABLISHED

25

NEW CHURCH PLANTING LOCATIONS ACROSS SINDH

These new fellowships now meet regularly for **worship, Bible study, prayer, and discipleship.**

Many of these churches began with only a few believers and are **steadily growing**

as more families hear the **Gospel.**

Together, we are reaching more communities with the love of Christ and building His Church.

“I will build my church, and the gates of Hades will not overcome it. **Matthew 16:18**

AUDIO BIBLES !

Love Your Neighbour Ministries (LYNM) continues to proclaim the Good News of Jesus Christ by distributing **Audio Bibles** in different local languages across remote communities in Sindh, Pakistan.

Many people in these villages are unable to read because of illiteracy or have limited access to printed Scriptures. Through Audio Bibles, they can now **hear God's Word** in their own heart language, allowing entire families and communities to listen together.

Our missionaries are using these Audio Bibles during evangelistic outreach, home visits, discipleship, and church planting efforts. As people listen to the Scriptures, many are hearing the Gospel for the very first time. The Audio Bibles are bringing **hope, strengthening the faith** of new believers, and helping people grow in their relationship with Christ.

We thank God for this ministry and for the faithful prayers and support of our partners, which make this outreach possible. Please continue to pray that every Audio Bible distributed will **touch hearts, transform lives, and lead many people to salvation** through Jesus Christ.

EDUCATION Ministry

Investing in Children. Building a Better Future.

Education remains one of our most important ministries.

This year we provided **400 school bags** filled with books and educational supplies for children attending the LYNM Mission School in Sindh.

These supplies **encouraged children** to continue their education and **reduced the financial burden** on struggling families.

TESTIMONY!

“My parents could not afford school supplies. Receiving a school bag and books encouraged me to continue my education. Thank you for caring for us.”

— Student, LYNM Mission School

Through education, we are shaping lives and building **a brighter tomorrow.**

“Train up a child in the way he should go; even when he is old he will not depart from it. **Proverbs 22:6**

Women's Empowerment

To help widows and struggling mothers become financially independent, LYNM distributed 30 sewing machines. Women are now able to sew clothing, earn income, and provide food and education for their children.

Testimony!

"The sewing machine changed my life. I now earn enough money to buy food and pay school expenses for my children. God answered my prayers." — Widow from Sindh

Food Distribution

Many families continued to experience severe financial hardship.

LYNM distributed 900 food bags to vulnerable families across Sindh and Punjab, especially widows, elderly people, daily wage workers, and persecuted Christian families.

Each food package contained essential household items to support families during difficult times.

Testimony!

"Our family had no food for several days. Your ministry arrived with food and prayed with us. We experienced God's love through your kindness."

— Family from Punjab

Clean Water Projects

Access to clean drinking water remains a serious challenge in many villages.

During the year, LYNM installed 145 hand pumps, providing clean and safe water to hundreds of families. These projects have reduced waterborne illnesses and improved the quality of life in many communities.

Sanitation!

To improve hygiene and health conditions, LYNM constructed 10 household latrines for families without proper sanitation facilities. These projects have improved health, dignity, and safety for vulnerable households.

Winter Relief

During the cold winter season, LYNM distributed:

- 250 blankets
- 300 warm jackets and pairs of shoes for children

These gifts helped families stay warm during the harsh winter months.

Care for Persecuted Families

Christian families facing persecution received emergency assistance, prayer, encouragement, and practical support. During this year, 10 persecuted families received direct ministry assistance.

Support for Children with Disabilities

LYNM provided assistance to 10 children with disabilities, helping meet essential needs and encouraging their families with love and practical care.

Freedom Project: Releasing Families from Bonded Brick Kilns in Gujranwala District

This year, through the grace of God and the generous support of our ministry partners, LYNM successfully helped 49 families gain freedom from bonded labor in brick kilns in Gujranwala District, Punjab.

For many years, these families lived and worked under the burden of debt, with little hope of escaping the cycle of poverty and exploitation. Through the Freedom Project, they were released and given a fresh start.

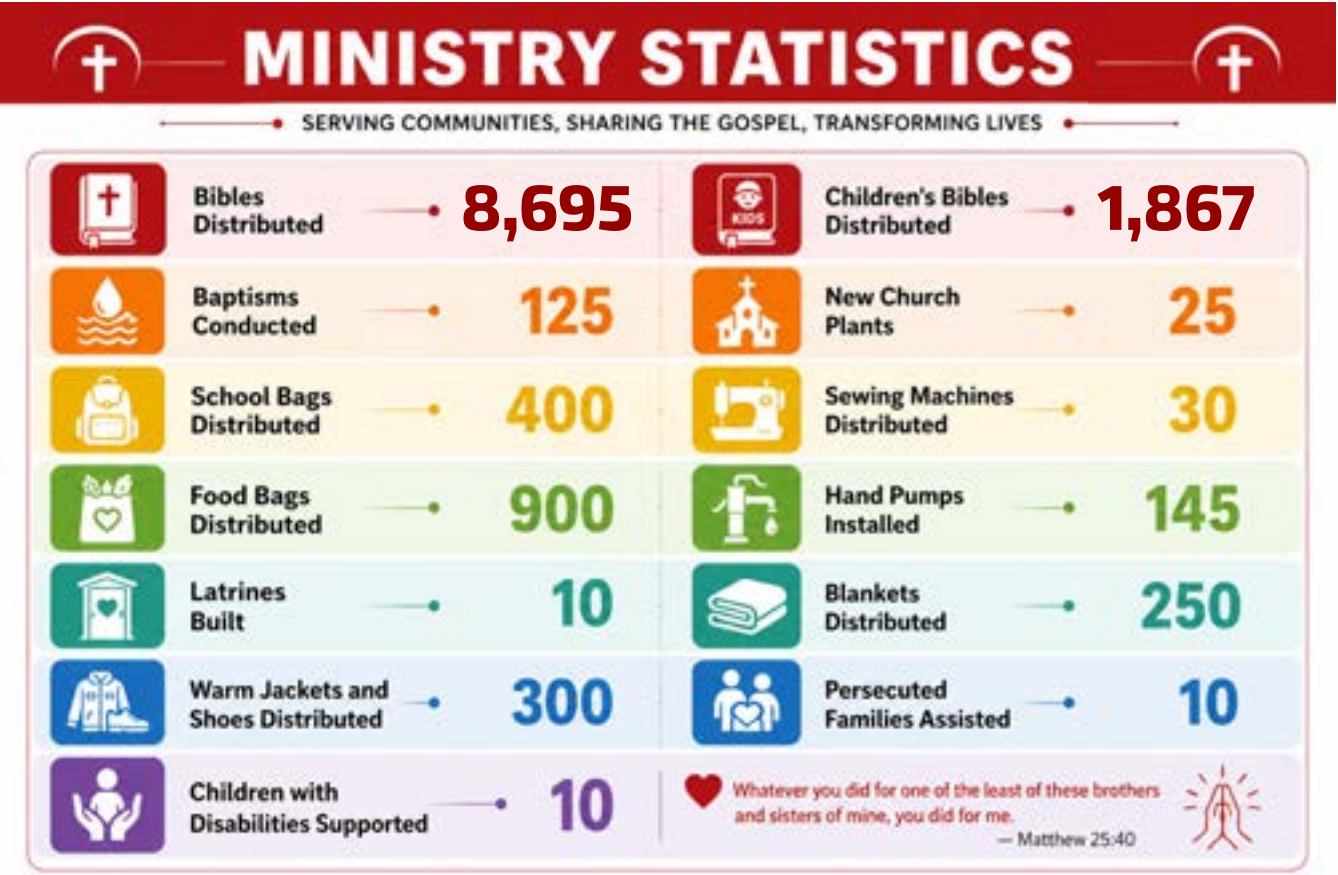

To help them build sustainable livelihoods, LYNM provided support to establish fruit carts, small Grocery shops, and other small businesses. These income-generating opportunities now enable the families to earn an honest living, provide food for their children, and keep them in school.

Beyond economic support, our ministry continues to encourage these families through prayer, fellowship, and the message of God's love, helping them build lives filled with hope and dignity.

Testimony

"Our family spent many years working in a brick kiln because of debt. We never imagined that one day we would be free. Through the Freedom Project, we were released and received a fruit cart to start our own business. Today, we can provide for our children, and they are attending school instead of working in the kiln. We thank God and everyone who made our freedom possible."
— A Freedom Project beneficiary from Gujranwala District

The Freedom Project demonstrates God's compassion in action—bringing freedom, restoring dignity, and creating opportunities for families to build a better future. We praise God for these transformed lives and look forward to helping more families experience the same hope.

Looking Ahead

- In the coming ministry year, LYNM plans to:
- Expand Bible distribution into more unreached villages.
 - Plant additional churches in remote communities.
 - Increase educational support for children.
 - Install more clean water hand pumps.
 - Continue women's empowerment initiatives.
 - Provide ongoing assistance to persecuted Christian families.
 - Reach more people with the Gospel of Jesus Christ.
